## **Eagle Cane Project**

October 2014 update:

The cane activity has tapered off, and it is great news. I have had some action, somewhat removed from the program, but it was for a Vietnam Vet who was injured by a grenade. He came to my attention thru a newspaper article about Greg Ball getting volunteers to do a rehab on his house. Dan Flanagan golfs in my league, so, I asked if he would like a commemorative cane. Pics are attached of the results.

If you are interested in getting involved in this project in any way, carving, turning, or assembly Please contact Pat Paraggio at [pparaggio@optonline.net](mailto:pparaggio@optonline.net) or [845-223-5674](tel:845-223-5674)
